

## Herescape Valkyrie Trials 2026-2027 Event Brief

Thank you for hosting a Valkyrie Trial! The 2026-2027 Valkyrie Trial season runs from July 2026 to June 2027, and these guidelines apply to all Valkyrie Trials within this season. Applications for Valkyrie Trials in the 2026-2027 season will run from February 27th, 2026 to April 31st, 2026. A new Valkyrie Trial Event Brief will be provided for each new Valkyrie Trial season.

Event Organizers can apply to host a Valkyrie Trial by clicking here: [Apply for Valkyrie Trials](#)

Here is a handy list of mandatory and recommended aspects each Valkyrie trial should have:

### Mandatory

- Must be listed on the [Herescape Battle Network](#).
  - Find a tutorial on how to create events on the Battle Network [here](#).
- All players must submit an army for the event on the Battle Network.
- All Valkyrie Trial events must be Contemporary format.
- All players must abide by the [Herescape Floor Rules](#).
- Tournament Judges should be familiar with the latest [FAQ & Errata document](#).
- Maps and glyphs must be announced in advance of the event.

### Recommended

- You may choose to use one of these recommended army building formats:
  - 425 points, 14 figure limit, 24 starting space limit
  - 460 points, 17 figure limit, 24 starting space limit
  - 500 points, 24 figure limit, 24 starting space limit
- We recommend setting a tournament round clock of 55 minutes.
  - Once time runs out, players should reach Order Marker Parity, ensuring that both players complete the same number of Order Markers. For instance, if Player 1 has revealed Order Marker 2 and is taking their turn when time runs out, Player 2 will also be allowed to reveal their Order Marker 2 and complete that turn before the game ends. After this, determine the winner by Point Scoring as described on [page 19 of the Herescape rulebook](#).
- It is recommended to use maps from [Renegade's OP resources page](#).

- We recommend using any selection of the following Glyphs for your Valkyrie Trial:
    - Dagmar, Lodin, Valda, Wannok, Yadulkia, Ulaniva
  - Schedule enough time between rounds to make sure the event runs smoothly, and for lengthier tournaments consider inserting a short lunch break at a predetermined point between rounds.
-
